

September Safety Topic of the Month - Service Bulletins and the Aircraft Owner

Manufacturer's aircraft component Service Bulletins are created in response to servicing issues that may affect airworthiness. We will examine and discuss several accident case studies from preventative maintenance and operational perspectives.

Directions: Drive In: Park in parking lot, walk or ride bus to Learning Center.

Fly In: Park and ride bus to Learning Center.

****Prior to Attending a Safety Seminar, Please Review and Abide by Current CDC, State, and Local Health Guidelines****
